Definitions:

- ▶ Misrepresentation is when someone makes a statement which is not correct to another person. A misrepresentation may be innocent, negligent or fraudulent

- ▶ Deception is where false information is used to make an unfair or unlawful gain.

You must not act in a fraudulent way.

Negligent Misrepresentation

If **you** have made a negligent misrepresentation and a claim arises, **we** may:

- (a) Avoid the contract and return **your** premium if **we** would not have entered into the contract under any terms
- (b) If **we** would have entered the contract but on different terms, treat the contract as if those different terms apply
- (c) If **we** would have entered the contract but at a higher premium we may reduce proportionately the amount to be paid on any claim

If **you** have made a negligent misrepresentation and no claim has arisen **we** may terminate the contract on reasonable notice to **you**.

Fraudulent Misrepresentation

If a claim is made and if any answer given by **you** to **us** involves a fraudulent misrepresentation or where any conduct by **you** (relative to the contract or the steps leading to its formation) involves fraud of any other kind **we** may avoid this contract of insurance.

Fraudulent Claims

If **you** or anyone acting for **you**:

- ▶ **We** will not pay the claim
- ▶ **We** may avoid the **policy** with effect from the date of the fraudulent claim or fraudulent act
- ▶ **We** will not return **your** premium

If **you** commit a fraudulent act on any other **policy**, then **we** may:

- ▶ cancel this **policy**
- ▶ consider letting the appropriate law enforcement authorities know about the circumstances

11. Dispute Resolution

Any disagreement that **we** have with **you** and that **we** cannot settle between **us** may be referred to the Financial Services and Pensions Ombudsman.

If the Financial Services and Pensions Ombudsman will not deal with the disagreement, **we** may agree to refer the dispute to arbitration or mediation. The arbitrator's decision will be final and binding.

If **you** wait more than a year to do this, **you** will be considered to have abandoned **your** claim and **you** cannot take it up again.

12. Payment

We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 19 of the Finance Act, 1950, as amended.

SECTION 1

Loss and damage to your car

Comprehensive Cover

Under this section, comprehensive covers loss or accidental damage to **your car**. **Your schedule** will show if **you** have this cover.

What's covered?

We will pay for:

- ▶ Loss of or damage to **your car**, (not exceeding its **market value**), and its accessories in or attached
- ▶ The reasonable cost of protecting and removing **your car** to the nearest competent repairer, and
- ▶ If **your car** is repaired in the Republic of Ireland, the reasonable cost of delivering **your car** back to **your** address

This will involve:

- ▶ Repairing **your car** in an AXA **approved repairer** or one of **your** choice, or
- ▶ Replacing what is lost or damaged, if the cost of repairing it would be more than it costs to replace; or
- ▶ Paying the cost of the loss or damage

We will choose which option is appropriate.

If **we** choose to repair **your car** but if **you** choose not to use an AXA **approved repairer**:

- ▶ **We** will not provide **you** with a temporary replacement car, and
- ▶ **We** will only pay what **our** engineer states it would have cost to repair **your car** in an AXA **approved repairer**, if the cost of repairs in the garage **you** choose is higher.

A maximum limit of €200 will operate for all fees connected with towage and storage of **your car** provided **you** notify **us** of any accident or loss within 48 hours.

If **your car** is stolen and is not found or, after it is found, is not worth repairing, **we** will pay the **market value** of **your car**, including accessories and spare parts. If **your car** is stolen and **you** become aware that it has been found **you** must tell **us** immediately even if **your** claim has already been settled.

We may choose to repair **your car** with recycled parts, where appropriate.

We may use parts that have not been made by the car's manufacturer, but they will be of a similar standard. If any lost or damaged parts are no longer available, **we** will pay an amount equal to the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

If **your car** is being repaired by an AXA **approved repairer** after an accident, fire or theft, **we** will give **you** a replacement car for the duration of repairs agreed by **our** engineer or up to a maximum of 7 days. This car is usually a class-A or economy-class one litre car.

Fire Brigade Charges

We will pay charges from a local authority (in line with the Fire Services Act 1981) for putting out a fire in **your car** if the fire gives rise to a valid claim under the **policy**, or for removing the driver or passengers from **your car** using cutting equipment.

The most that **we** will pay for any one claim is €1,500; a claim under this section will not affect **your** no claims discount.

Replacement Locks

We will pay **you** up to €750 towards replacing **your car's** locks and alarm if the keys for it are stolen from **your** home through force or violence:

We will not pay:

- ▶ If **your** keys are stolen by deception or fraud or taken by a member of **your** family who normally lives with **you**
- ▶ Where the keys are recovered before the locks and alarms are replaced
- ▶ If **you** do not report the theft of keys immediately to the Gardaí (**you** will need to provide written proof of this)

A claim under this section will not affect **your** no claims discount.

Personal Belongings

We will pay **you** up to €750 for personal belongings carried in **your car** if they are lost or damaged due to accident, fire, theft or attempted theft. **You** are not covered for:

- ▶ Money, stamps, tickets, documents, securities (financial certificates such as shares and bonds), furs or jewellery
- ▶ Tools, equipment, goods or samples, carried in connection with any trade or business or property insured by another insurance policy
- ▶ Theft of personal belongings if **your car** is left unattended unless all windows are closed and doors and boot are locked

A claim under this section will not affect **your** no claims discount.

Child Car Seats & Equipment

We will pay **you** up to €600 for child car seats, booster seats, push chairs, prams, buggies or carrycots carried in **your car** if they are lost or damaged due to accident, fire, theft or attempted theft. **You** are not covered for:

- ▶ Theft of push chairs, prams, buggies or carrycots if **your car** is left unattended unless these are locked in the boot
- ▶ If the loss or damage is as a result of theft no payment will be made if there are no signs of forced entry to **your car**

A claim under this section will not affect **your** no claims discount

Replacing your car with a new one

We will settle **your** claim by replacing **your car** with a new one of the same make, model and specification if the **your car** is:

- ▶ Stolen and not recovered within 28 days; or
- ▶ Damaged so that repairs will cost more than 60% of the manufacturer's retail list (including taxes and the cost of accessories) at the time of the loss or damage

We will only do this if:

- ▶ The loss or damage happens before **your car** is one year old
- ▶ **You** have owned the car or hired it under a hire- purchase agreement since it was first registered as new; and
- ▶ **you**, and anyone else **we** know who has an interest in **your car**, agree.

If a replacement car of the same make, model and specification is not available, the most **we** will pay is:

- ▶ The **market value** of **your car** and its fitted accessories and spare parts at the time of the loss or damage, or
- ▶ The manufacturer's retail price of **your car** when **you** bought it, less 10%; whichever is higher

Temporary Substitutions

Cover provided by this **policy** is automatically transferred to a car loaned to **you** by a registered garage or vehicle repairer in the Republic of Ireland for up to 7 days whilst **your car** is undergoing repairs or servicing provided the **market value** of the car on loan does not exceed €50,000.

Protection for your wall charger

If **your car** is an electric vehicle (EV) or a plug-in hybrid electric vehicle (PHEV) model **we** will pay up to €650 for accidental damage to **your** wall charger, provided it isn't already covered by **your** home insurance.

A claim under this section will not affect **your** no claims discount

- ▶ Recovery of the car, the driver, and up to six passengers to the nearest repairer to drain and flush the fuel tank and refuelling with up to 10 litres of the correct fuel. If the car cannot be drained down the same day at a suitable garage or if it arrives outside normal opening hours we will:

- ▶ cover the cost of securing the car overnight, and
- ▶ cover reasonable public transport or taxi fares for **you** and **your** passengers. (Please note that **you** will be responsible for all onward transportation in the first instance and AXA Assistance will reimburse these costs once **your** claim has been validated. What's covered?

We will pay for:

- ▶ Loss of or damage to **your car**, (not exceeding its **market value**), and its accessories in or attached
- ▶ The reasonable cost of protecting and removing **your car** to the nearest competent repairer, and
- ▶ If **your car** is repaired in the Republic of Ireland, the reasonable cost of delivering **your car** back to **your** address

- ▶ **We** will not provide **you** with a temporary replacement car, and
- ▶ **We** will only pay what **our** engineer states it would have cost to repair **your car** in an AXA **approved repairer**, if the cost of repairs in the garage **you** choose is higher

A maximum limit of €200 will operate for all fees connected with towage and storage of **your car** provided **you** notify **us** of any accident or loss within 48 hours.

If **your car** is stolen and is not found or, after it is found, is not worth repairing, **we** will pay the **market value** of **your car**, including accessories and spare parts. If **your car** is stolen and **you** become aware that it has been found **you** must tell **us** immediately even if **your** claim has already been settled.

We may choose to repair **your car** with recycled parts, where appropriate.

We may use parts that have not been made by the car's manufacturer, but they will be of a similar standard. If any lost or damaged parts are no longer available, **we** will pay an amount equal to the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

If **your car** is being repaired by an AXA **approved repairer** after a fire or theft, **we** will give **you** a replacement car for the duration of repairs agreed by **our** engineer or up to a maximum of 7 days. This car is usually a class-A or economy-class one litre car.

Fire Brigade Charges

We will pay charges from a local authority (in line with the Fire Services Act 1981) for putting out a fire in **your car** if the fire gives rise to a valid claim under the **policy**, or for removing the driver or passengers from **your car** using cutting equipment.

The most that we will pay for any one claim is €1,500; a claim under this section will not affect **your** no claims discount.

No claims discount

(including accident forgiveness)

If **you** do not **claim** during the current **period of insurance**, **we** will discount **your** renewal premium. The discount will be in accordance with the no claim discount scale applicable at the time of renewal. See table below for current scale. Premiums for fire, theft or optional extra cover will not be the subject of no claims discount.

Number of years claim-free driving (own insurance policy)	Percentage discount allowed

0 (first insurance, no claims)	50%
1	55%
2	60%
3	65%
4	70%
5+	75%

We may offer an introductory discount for customers who have had no previous insurance and are claim and incident free.

If **you** make a claim, **we** will reduce the discount at the next renewal according to the following table, unless **you** have chosen “Protected No Claims Discount” option (see Section 9). **Your schedule** will show if **you** have “Protected No Claims Discount”.

Percentage discount allowed at the start of the policy or when it was last renewed	Percentage allowed at next renewal for one claim happening in the previous insurance year
0%	0%
50%	0%
55%	50%
60%	50%
65%	50%
70%	55%
75%	60%

If **you** make two or more claims in the previous insurance year, **we** will reduce **your** no claims discount to 0% .

We will reduce **your** no claims discount to 0% if **you** make a claim and the driver is convicted of dangerous driving or charged with drink-driving or a drug offence in connection with the same incident.

If **we** make payments that **we** cannot recover from another person, the claim will count against **your** no claims discount even if **you** were not at fault. See exception under Section 1” Uninsured Driver Promise”

For no claims discount purposes, a **period of insurance** is one year between the beginning of the **policy** and the date **you** renew it, or between renewal dates. **You** cannot transfer **your** no claims discount to anyone else.

Your no-claims discount will not be affected by:

- ▶ Payments under section 1 for fire and theft claims
- ▶ Payments made under section 2 Glass breakage
- ▶ Payments for emergency treatment the law says **we** must pay
- ▶ Payments under misfuelling, wall charger protection, fire brigade charges, personal belongings, child car seats & equipment, replacement locks, legal fees and expenses, legal assistance, car and key rescue or injury to driver sections

A reported incident may not give rise to a claim. However, **we** reserve the right to decide at what stage the incident may be considered one which will not give rise to a claim.

If **you** make a claim just before **your** renewal date, this may not be reflected in **our** offer (“Renewal Notice”) to **you** to renew cover. If this happens, **you** can ask **us** to change **our** offer or wait until the following renewal date for that claim to be taken into account.

SECTION 9

Protected no claims discount

*This is an optional extra. If **you** have bought it, **your** no claims discount is safe if **you** make one claim.*

Your schedule will show if **you** have chosen this cover.

This cover allows **you** to make one claim without affecting **your** no claims discount. Only a second or subsequent claim will affect **your** no claims discount (see Section 8). The first claim will remove future protection and it cannot then be purchased for at least three years.

Even if **you** have protected no claims discount, **your** premium may still increase if:

- ▶ **You** make unreasonably large or excessive claims
- ▶ **You** receive motoring convictions; or
- ▶ **We** decide it is necessary for any other reason

Even though the no claims discount may not be affected, **your** claims record will be shown on your Certificate of No Claims Discount.
