How to make a claim

You need to:

1. Check that the cause of the loss or damage is covered. The **schedule** contains details of what **you** are covered for and the **policy** document shows what is covered under each section. Please see page 9 for how **we** settle claims.
2. Follow the conditions on pages 17-20 of this **policy** document.
3. Advise **us** by calling 0818 27 26 25 immediately.
4. Obtain estimates as soon as possible for repairing the damage. Any temporary repairs necessary to make **your home** weatherproof (if for example the roof has been damaged) can be started immediately, but please keep the receipts/invoices as the cost may well form part of **your** claim. However **we** should be given an opportunity to inspect the damage before permanent repairs are started.
5. If someone is holding **you** responsible for damage to their property or for bodily injury to them, it is critical that **you**:
 - a) Call **us** immediately on 0818 27 26 25 and provide full details in writing as soon as possible.
 - b) Send **us** any writ or summons or other legal documents served on **you** or any member of **your** family as soon as they arrive.

We will, where necessary, arrange for someone to call as soon as possible. This person will be one of **our** own claims staff or an independent chartered loss adjuster who **we** appoint to discuss **your** claim. With any other claims, **we**'ll let **you** know what **you** need to tell **us**, but inform **us** immediately.

Claims

How we settle claims

You must tell **us** if the **buildings** and **contents** sums insured are not high enough. If not, **you** may find that **you** do not have enough cover and **we** will not pay the full value of **your** claim.

We will decide how to settle **your** claim. **We** will normally arrange for one of **our** suppliers to repair, reinstate or replace the lost or damaged property. In some instances, **we** may decide to pay a cash amount for the loss or damage. **We** will not pay more than **our** suppliers would have charged. **We** will deduct the appropriate **excess** from all claims payments **we** make.

Claims Retention

We will not hold any retentions for claims less than €20,000.

Where **we** agree to pay **your** claim and the settlement amount is greater than €20,000 but less than €40,000, **we** reserve the right to withhold up to 5% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where **we** agree to pay **your** claim and the settlement amount is €40,000 or more, **we** reserve the right to withhold

up to 10% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement, **we** will contact **you** to remind **you** of the unclaimed retention and **our** requirements to release this payment. If **we** do not hear back from **you** within 10 working days **we** will issue a final reminder to **you**. Where **we** do not receive a response to **our** final reminder within 10 working days, **we** will close the claim file.

Under Insurance

You must at all times keep **your** sums insured at a level that reflects the value of **your buildings, outbuildings** and **contents**. The **buildings** sum insured must also include the costs of removing debris after a loss, professional fees and any additional costs necessary to meet current building regulations.

It is a condition of this **policy** that **you** need to insure the **buildings, outbuildings** and **contents** for their full value. Claims settlements may be reduced, and **you** may be responsible for part of the loss, if the sums insured at the

time of any loss or damage, are less than the full value. If the sums insured are within 15% of the full value, this condition will not apply.

Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. **We** will pay **you** for individual damaged items but not for the other undamaged pieces.

If a floor covering is damaged beyond repair, **we** will pay to have it replaced. However, **we** will not pay for undamaged floor coverings in adjoining rooms or areas.

Will **we** take off an amount for wear and tear?

Buildings

If **we** carry out a repair or reinstatement, **we** will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the **building** and **you** have kept the **building** in good condition. The full reinstatement value is not necessarily the value **you** would get if **you** sold the property (market value).

Contents

We will take off an amount for:

- clothes, furs, household linen;
- audio visual equipment; or
- carpets over five years old.

We will not take off an amount for wear and tear for all **your** other **contents** as long as the sum insured represents their full value as new at the time of loss and **you** have kept them in good condition.

Other insurance policies

If any injury, loss or damage is covered by any other insurance, **we** will not pay more than **our** share. This does not apply to subsection 20 (Fatal Accidents) of section B (**Contents**) or section I (Personal accident).

No-claims discount

For the purpose of working out the no-claims discount, a **period of insurance** is one continuous year between the beginning of the **policy** and the renewal date shown in **your schedule** and each subsequent renewal thereafter.

If **you** do not claim during the current **period of insurance**, **we** will discount **your** renewal premium. The discount will be in accordance with the no-claims discount scale applicable at the time of renewal. **We** will give **you** details if **you** need them.

If during a **period of insurance**, an incident occurs giving rise to claims under the **policy**, **we** will reduce the no-claims discount to 0%.

If **we** agree to transfer the interest of the **policy** to someone else, **we** will not transfer any no-claims discount earned.

Before **you** make a small claim, remember **you** could lose **your** no-claims discount. Please call **us** if **you** have any questions.

Inflation protection

Buildings

To help protect **you** against inflation, **we** will adjust the sum insured under the **buildings** section, in line with an appropriate index* **we** have chosen, and each year when **you** renew the **policy**, **we** will increase the sum insured in line with that index.

*Society of Chartered Surveyors, CSO, Dept of Environment.

Contents and personal belongings

To help protect **you** against inflation, **we** will amend the sum insured under the **contents** section, in line with an appropriate index* **we** have chosen, and each year when **you** renew the **policy**, **we** will increase the sum insured in line with that index.

*Consumer Price Index.

The following applies to **buildings**, **contents** and **personal belongings**.

- If an index falls, **we** will keep the sums insured and monetary limits at the same level.
- When **you** next renew **your policy** **we** will adjust **your** sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after **we** carry out a repair or replacement for loss or damage to the **building**, **we** will continue to protect the sum insured against inflation as long as:

- a **you** take reasonable steps to make sure that the repair or replacement is carried out immediately; and
- b the sum insured at the time of the loss or damage represents the full value.

Although **you** have the benefits of inflation protection, **you** should not rely on this alone to keep the **building** sum insured at the correct level. The replacement cost of your **building** or **contents** may be growing faster than inflation – perhaps because of a new extension or new items **you** have bought.

*It is a **policy** condition to insure for the correct amount – see page 17, point 3 – Under insurance.*

Are **you** covered?

Are **you** adequately covered for all the possible risks **you** face? Check **your schedule** for cover in these areas:

- Adequate **buildings** sum insured
- Specialist cover for pedal cycles, mobile homes etc
- Accidental damage cover on **contents**
- Extended cover for **personal belongings** (also known as all risks)

If **you** are in any doubt, or wish to arrange further cover, call the AIB Smart **Home** Insurance helpline on **0818 27 26 25**.
