# How to make a claim

## You need to:

1. Check that the cause of the loss or damage is covered. The **schedule** contains details of what **you** are covered for and the **policy** document shows what is covered under each section. Please see page 8 for how **we** settle claims.
2. Follow the conditions on pages 16-20 of this **policy** document.
3. Advise **us** by calling 0818 27 26 25 immediately.
4. Obtain estimates as soon as possible for repairing the damage. Any temporary repairs necessary to make **your holiday home** weatherproof (if for example the roof has been damaged) can be started immediately, but please keep the receipts/invoices as the cost may well form part of **your** claim. However **we** should be given an opportunity to inspect the damage before permanent repairs are started.
5. If someone is holding **you** responsible for damage to their property or for bodily injury to them, it is critical that **you**:
  - a) Call **us** immediately on 0818 27 26 25 and provide full details in writing as soon as possible.
  - b) Send **us** any writ or summons or other legal documents served on **you** or any member of **your** family as soon as they arrive.

**We** will, where necessary, arrange for someone to call as soon as possible. This person will be one of **our** own claims staff or an independent chartered loss adjuster who **we** appoint to discuss **your** claim. With any other claims, **we**'ll let **you** know what **you** need to tell **us**, but inform **us** immediately.

# Claims

## How we settle claims

**You** must tell **us** if the **buildings** and **contents** sums insured are not high enough. If not, **you** may find that **you** do not have enough cover and **we** will not pay the full value of **your** claim.

**We** will decide how to settle **your** claim. **We** will normally arrange for one of **our** suppliers to repair, reinstate or replace the lost or damaged property. In some instances, **we** may decide to pay a cash amount for the loss or damage. **We** will not pay more than **our** suppliers would have charged. **We** will deduct the appropriate **excess** from all claims payments **we** make.

## Claims Retention

Where **we** agree to pay **your** claim and the settlement amount is less than €40,000, **we** reserve the right to withhold up to 5% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where **we** agree to pay **your** claim and the settlement amount is €40,000 or more, **we** reserve the right to withhold up to 10% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement,

**we** will contact **you** to remind **you** of the unclaimed retention and **our** requirements to release this payment. If **we** do not hear back from **you** within 10 working days, **we** will issue a final reminder to **you**. Where **we** do not receive a response to **our** final reminder within 10 working days, **we** will close the claim file.

## Under Insurance

Under insurance can occur when:

- **your buildings** or **outbuildings** sum insured is below the amount it would cost to rebuild them or
- **your contents** or **personal belongings** sum insured is below the amount it would cost to replace them as new.

It is a condition of this **policy** that **you** must at all times keep **your** sums insured at a level that reflects:

- the actual cost to rebuild **your buildings** or **outbuildings**. This sum insured must also include the costs of removing debris after a loss, professional fees and any additional costs necessary to meet current building regulations.
- the actual cost to replace **your contents** or **personal belongings** as new.

If **your** sums insured are not adequate at the time of any loss or damage, **your** claims settlements may be reduced by whatever proportion is represented by the level of underinsurance, meaning **you** may have to pay any shortfall yourself. If the sums insured are within 15% of the full value, this condition will not apply.

## Underinsurance Examples

**Your home** is insured for €300,000 but the full cost to rebuild the property is €400,000. This means that the **home** is underinsured by €100,000 or 25%. As a result, **your** claim would be reduced by 25%.

- **Example 1 - Partial Loss Claim**
  - Partial damage occurs to the **home** and the cost to repair the damage is €100,000.
  - A deduction of 25% (€25,000) is made from the cost of repairs.
  - Therefore, the most **you** will receive is a payment of €75,000. **You** would need to fund the balance of €25,000 yourself.
- **Example 2 - Total Loss Claim**
  - Damage occurs to the **home**, and it requires a complete rebuild.
  - As the **home** has been insured for €300,000 this is the maximum payment that can be made.
  - **You** would need to fund the balance of €100,000 yourself.

Please note, other settlement factors such as the **policy excess** are not considered in the examples above.

## Matching sets and suites

**We** treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. **We** will pay **you** for individual damaged items but not for the other undamaged pieces.

If a floor covering is damaged beyond repair, **we** will pay to have it replaced. However, **we** will not pay for undamaged floor coverings in adjoining rooms or areas.

## Will **we** take off an amount for wear and tear?

### Buildings

If **we** carry out a repair or reinstatement, **we** will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the **building** and **you** have kept the **building** in good condition. The full reinstatement value is not necessarily the value **you** would get if **you** sold the property (market value).

### Contents

**We** will take off an amount for:

- clothes, furs, household linen;
- audio visual equipment; or
- carpets over five years old.

**We** will not take off an amount for wear and tear for all **your** other **contents** as long as the sum insured represents their full value as new at the time of loss and **you** have kept them in good condition.

## Other insurance policies

If any injury, loss or damage is covered by any other insurance, **we** will not pay more than **our** share.

# No-claims discount

For the purpose of working out the no-claims discount, a **period of insurance** is one continuous year between the beginning of the **policy** and the renewal date shown in **your schedule** and each subsequent renewal thereafter.

If **you** do not claim during the current **period of insurance**, **we** will discount **your** renewal premium. The discount will be in accordance with the no-claims discount scale applicable at the time of renewal. **We** will give **you** details if **you** need them.

If during a **period of insurance**, an incident occurs giving rise to claims under the **policy**, **we** will reduce the no-claims discount to 0%.

If **we** agree to transfer the interest of the **policy** to someone else, **we** will not transfer any no-claims discount earned.

Before **you** make a small claim, remember **you** could lose **your** no-claims discount. Please call **us** if **you** have any questions.

# Inflation protection

## Buildings

To help protect **you** against inflation, **we** will adjust the sum insured under the **buildings** section, in line with an appropriate index\* **we** have chosen, and each year when **you** renew the **policy**, **we** will increase the sum insured in line with that index.

\*Society of Chartered Surveyors, CSO, Dept of Environment.

## Contents

To help protect **you** against inflation, **we** will amend the sum insured under the **contents** section, in line with an appropriate index\* **we** have chosen, and each year when **you** renew the **policy**, **we** will increase the sum insured in line with that index.

\*Consumer Price Index.

The following applies to **buildings**, **contents** and **personal belongings**.

- If an index falls, **we** will keep the sums insured and monetary limits at the same level.
- When **you** next renew **your policy** **we** will adjust **your** sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after **we** carry out a repair or replacement for loss or damage to the **building**, **we** will continue to protect the sum insured against inflation as long as:

- a **you** take reasonable steps to make sure that the repair or replacement is carried out immediately; and
- b the sum insured at the time of the loss or damage represents the full value.

Although **you** have the benefits of inflation protection, **you** should not rely on this alone to keep the **building** sum insured at the correct level. The replacement cost of **your building** or **contents** may be growing faster than inflation – perhaps because of a new extension or new items **you** have bought.

*It is a **policy** condition to insure for the correct amount – see page 16, point 3 - Under Insurance.*

# Are **you** covered?

Are **you** adequately covered for all the possible risks **you** face? Check **your schedule** for cover in these areas:

- Adequate **buildings** sum insured
- Adequate **contents** sum insured

If **you** are in any doubt, or wish to arrange further cover, call the AIB Smart **Home** Insurance helpline on **0818 27 26 25**.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

## 4 Excess

**You** will be responsible for the **excess** amounts shown on **your schedule**.

The following excesses may apply:

If any of these facts have changed **you** must let **us** know immediately otherwise cover may not operate. If **you** are not sure whether or not certain facts are important, please ask **us**. **We** have the right to accept or decline changes to **your policy** and **we** may charge an additional premium including an administration charge.

- An additional premium of less than €15, **we** will not charge it.

## 2 Taking care of your property

**You** must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to protect **your** property from loss or damage. **You** must keep all **your** property in good condition. ## 3 Under Insurance

Under insurance can occur when:

- **your buildings or outbuildings** sum insured is below the amount it would cost to rebuild them or
- **your contents or personal belongings** sum insured is below the amount it would cost to replace them as new.

It is a condition of this **policy** that **you** must at all times keep **your** sums insured at a level that reflects:

- the actual cost to rebuild **your buildings or outbuildings**. This sum insured must also include the costs of removing debris after a loss, professional fees and any additional costs necessary to meet current building regulations.
- the actual cost to replace **your contents or personal belongings** as new.

If **your** sums insured are not adequate at the time of any loss or damage, **your** claims settlements may be reduced by whatever proportion is represented by the level of underinsurance, meaning **you** may have to pay any shortfall yourself. - Plumbing and Drainage
- Failure of internal electrics

If so, to obtain assistance, contact the 24 hour Emergency Helpline on:

- Advise **you** how to protect yourself and **your holiday home** immediately;

## Claims under this section can only be made by

**You, your** immediate family, lodger or anyone calling on **your** behalf.

If the **emergency repair** costs more than €250 (€500 for roofing) including VAT

**We** will: require **you** to contribute the difference or subject to **our** prior agreement and on receipt of **your** engineer's fully itemised and paid invoice, **we** would pay **you** up to €250 (€500 for roofing) including VAT as a contribution to a repair which **you** will arrange yourself, taking account of costs already reasonably incurred by **our authorised contractor**, for the initial visit.

This will be in full and final settlement of **your** claim.

When **we** make a repair **we** will leave **your holiday home** safe and habitable but **we** will not be responsible for reinstating it to its original condition, although **you** may find that this is covered under Section A - Insurance for **your buildings**.

In some circumstances **we** may find it difficult to deploy an **authorised contractor** to attend **your holiday home** or deal with **your emergency** within a reasonable timescale.

Examples of such circumstances are:

- Excessive demand
- Bad weather

- Industrial action
- Parts availability
- Availability of a specialist.

In these circumstances, **you** may, with **our** prior agreement, arrange for **your** own contractor to resolve **your emergency** and **we** will refund the cost of **your** contractor up to €250 (€500 for roofing) including VAT.

Please provide a fully itemised invoice or receipt from **your** own contractor to support **your** claim for reimbursement.

## Getting our claims costs back

If **we** think someone else is at fault for a claim that **we** pay, **we** may follow up that claim in the name of anyone claiming cover under this **policy** to get back the payments that **we** make.

Anyone making a claim under this **policy** must give **us** any help and information that **we** need.

## Parts availability

Availability of parts is an important factor in providing **emergency repairs**. If **our** engineer does not carry the spare parts needed on the day of **your** appointment, **we** will do all **we** reasonably can to find and install parts from **our** approved suppliers. **We** may use new parts or parts that have been reconditioned by the manufacturer or approved third parties.

**We** may not replace parts on a like for like basis but will provide an alternative suitable for containing the **emergency**, i.e. reconditioned parts. However, there may be times when replacement parts are delayed because of circumstances beyond **our** control.

In these cases **we** will not be able to avoid delays in repair; **we** will keep **you** informed throughout **your** claim.

There may also be occasions where parts are no longer available. In these situations **we** will ensure **your holiday home** is safe and if required, **we** will arrange for **you** to receive a quotation for a suitable replacement item at **your** cost.
